Gboko, Nigeria

- I worked as a software developer in Gboko. I contributed to team projects which include building a web application for the company's cooperative society.
- I also did programming tutorials for new interns.

Technologies and Languages

- Languages: Javascript, Python, TypeScript, Laravel, PHP
- Technologies: MongoDB, Git, Vue Js, Express, Node.js, React, Next.js, Tailwind CSS, OpenCV, Laravel
- AI / LLM: LangChain, LlamaIndex, LangGraph, RAGAS, Langfuse, RAG pipelines, Prompt engineering, Evaluation & Observability

Projects

AI Engineer Portfolio (https://github.com/mofrey-max/portfolio)

Single-page Next.js 14 + Tailwind CSS portfolio for LLM/RAG/Agents work — rotating statement slider, scroll-driven reveal animations, canvas neural-network background, and dark/light themes. Source: github.com/mofrey-max/portfolio

token-metadata-program (https://github.com/mofrey-max/token-metadata-program)

Solana SPL metadata program to update token metadata credentials — my most-starred open-source repository (TypeScript, 7 stars, 13 forks).

Ontology Hybrid Recommender (https://github.com/mofrey-max/ontology-hybrid-recommender-progedu)

A validated ontology-driven hybrid recommender system for programming education, combining formal domain ontologies (OWL 2 / HermiT-reasoned) with hybrid recommendation techniques.

Ethereal Multimedia Technology (https://ethereal.ng/)

A Nigerian ICT firm offering web, mobile, AI voice, branding, and multimedia solutions. Also develops SaaS and ERP products for businesses and creatives.

Ethereal SaaS / ERP (https://saas.ethereal.ng/)

A cloud-based ERP suite for HR, finance, CRM, and project automation. Built to streamline workflows for SMEs and large teams.

Agrichainx Innovative Technology Ltd. (http://agrichainx.com/)

Blockchain-powered agricultural platform improving traceability, trade, and finance access for African farmers. Includes smart contracts and crypto wallets.

MeChampion (https://mechampion.com/)

A real estate company offering development, design, and investment services in Abuja and Lagos. Focuses on high-end residential and commercial properties.

TreyfaTech (https://treyfatech.com.ng/)

Tech company empowering small businesses in Yola with digital tools and web services. Promotes innovation and digital adoption through training.

IJDPN (Justice, Development & Peace Nigeria) (https://ijdpn.org.ng/)

A Catholic NGO delivering health, education, and social justice support to vulnerable Nigerians. Active in water access, child welfare, and empowerment.
